2007 CMHS Uniform Reporting System Output Table**General Notes: OR, FY2007**

Table Number	General Notes
2b,5b,14b,16,17 ,18,20a,20b	We are still not able to report race separate from ethnicity, which is why we reported data in the optional Hispanic column on tables 2a, 5a, and 14a. Much of this data comes from our Medicaid system and our state is implementing a new system this year. this new system will give us the capacity to report ethnicity separate from race and also the ability to report more than one race.
