General Notes: Missouri, FY 2008

Table Number	General Notes
6	Data is now provided for "Other Psychiatric Inpatient" counts.
20A & 20B	Due to clarification of table definitions, discharges are now based only on a 12 mo period (i.e., CY07) as opposed to 18 mos (1/1/07-6/30/08). This lowered the counts of discharges from the prior fiscal year. The change has no significant effect on the 30 and 180 day readmissions; however, because of the lowered counts of discharges, our readmission percentages increased.
21	FY2008 is the first fiscal year this table is filled out for Missouri.
