General Notes: Tennessee, FY 2008

Table Number	General Notes
2A	Total reflects a 12% increase in services to adults served under the TennCare managed care program.
8	Technical Assistance includes Policy and Legislation, except Research; non-TennCare Clinical Oversight; Recovery Services, excluding Planning; and Special Populations, excluding PASSAR and grants. Planning Council includes the MH Planning Council and Planning under Recovery Services. Administration includes Administration, except for IT. Data Collection includes IT and Research under Policy and Legislation. Other includes the rest of 339.01, including the Office of the Commissioner and Deputy Commissioner.
11	The TOMS survey is given to adults, families and youth receiving services at community mental health agencies. Surveys must meet a minimum percentage of completion to be reported.
16	Number served for all child EBPs except TFC is based on responses to an annual provider EBP survey. Annual fluctuations in number reported may be due to changes in the level of fidelity criteria met by the CMHA and survey response rate. Number served for TFC is estimated based on 90% of FY07 actual number served. FY08 data from the Department of Children's Services was not received prior to submission deadline. Significant reduction in number receiving MST due to end of multi-year pilot program of MST service delivery.
16 & 17	Number served for all adult EBPs is based on responses to an annual provider EBP survey. Annual fluctuations in number reported may be due to changes in the level of fidelity criteria met by the CMHA and survey response rate.
20A	No demographic breakout is available for readmission to state hospital data - reported for children (0-17) and for adults (18+).
20B	TN does not complete this table due to differences in definition of "forensic" and statutory requirement for readmission of forensic evaluations adjudicated as not guilty by reason of insanity (NGRI).
21	Data is limited to adults and children receiving services through the TennCare managed care program.
