## Illinois

URS Table Number	General Notes
2A/B, 3, 4, 5, 6, 14A/B, 15, 15A, 16	Significant decreases in the number of individuals served between 2015 and 2016 is likely a result of Illinois' ongoing state budget crisis. Coverage in and enrollment in the ACA has caught up to those who were previously served by our providers. The Medicaid Authority in the State of Illinois also made adjustments in how MCO claims are processed. Last, but not least, FY16 was the first full year where non-Medicaid services were not covered.
