Louisiana

URS Table Number	General Notes
All	Persons Served for Fiscal Year 2016 were under reported due to data collection challenges experienced by two of our ten Local Governing Entities (LGEs) upon adopting their own data systems/Electronic Health Records (EHR). Due to these challenges, the two LGEs failed to submit client level data to the Office of Behavioral Health (OBH) data warehouse. OBH is collaborating with these LGEs and their EHR vendors to resolve the data submission concerns. The two missing LGEs represent approximately 15% of persons served statewide.
4	The increase in total number of consumers unemployed and the decrease in total number of consumers not in labor force are due to with the utilization of multiple electronic health records, the state continues to experience challenges relative to data collection and missing data fields. Two Local Government Entities (LGEs) failed to submit client level data to the Office of Behavioral Health (OBH), resulting in a decrease of data collected.
5A/B	The decrease in total number of consumers with Medicaid Funding only and increases in Non-Medicaid Funding only and with both Medicaid and Non-Medicaid Funding are due to with the utilization of multiple electronic health records in Fiscal Year 2015 and Fiscal Year 2016, the state continues to experience challenges relative to data collection and missing data fields. Two Local Government Entities (LGEs) failed to submit client level data to the Office of Behavioral Health (OBH), resulting in a decrease of data collected.
6	The one year change data in community programs at the beginning of the year and the total admissions to community program during the year are due to with the changes in multiple electronic health records in Fiscal Year 2015 and Fiscal Year 2016, the state continues to experience challenges relative to data collection.
8	The increase in total MHBG expenditures for Non-Direct Service Activities is due to the 2015 amount of MHA Data Collection/Reporting reported on state-wide expenditures only. In 2016, the Data Collection/Reporting included dollars allocated for consumer monitoring and evaluation at the local level as well, as reported by the Local Governing Entities, who are sub-recipients for the MHBG.
12	Regarding Percent of Adults meeting Federal definition of SMI: Persons Served with SMI/SED for Fiscal Year 2016 was under reported due to data collection challenges and missing data fields. Two Local Government Entities (LGEs) failed to submit client level data to the Office of Behavioral Health (OBH), resulting in a decrease of data collected. Regarding Percent of Adults and Children with Co-occurring MH/SA diagnoses: With the utilization of multiple electronic health records, the state continues to experience challenges relative to data collection.
14A	The one year change in data are due to Persons Served with SMI/SED for Fiscal Year 2016 was under reported due to data collection challenges and missing data fields. Two Local Government Entities (LGEs) failed to submit client level data to the Office of Behavioral Health (OBH), resulting in a decrease of data collected.
16	The one year change data for total number of consumers receiving Supported Housing services, supported employment service, receiving ACT services, total number of Adults with SMI total number of consumers receiving MST services and total number of consumers receiving Family Functional Therapy Services are due to data source changed from summation totals provided by OBH Local Governing Entity (LGE) Surveys to Client Level Data collected from electronic health records (EHR). OBH is collaborating with these LGEs and their EHR vendors to resolve the data collection concerns.
17	The one year change data in total number of consumers receiving Integrated Dual Dx services and total number of consumers receiving Illness Self Management services are due to data source changed from summation totals provided by OBH Local Governing Entity (LGE) Surveys to Client Level Data collected from electronic health records (EHR). OBH is collaborating with these LGEs and their EHR vendors to resolve the data collection concerns.
19A/B	Data source changed from Self-Assessment Tool to Client Level Data collected from our LGEs. Two out of ten LGEs have not submitted data at report date. OBH is collaborating with these LGEs and their EHR vendors to resolve the data submission concerns.
