 State used Federal SED Definition? No
 see attachment
 Diagnoses included in State SED definition see attachment

Note:

This table uses data from URS/DIG Table 14a, Table 14b and from the US Census Bureau. All denominators use US Census data from 2009

US totals are calculated uniquely for each data element based on only those states who reported clients served.

Regional groupings are based on SAMHSA's Block Grant Regions.

State Notes:

Table 14a
 Age None
 Gender None
 Race The difference between 2010 numbers and those in 2009 are maybe due to increased case loads as well as better reporting of race and ethnicity by the agencies.
 Overall Counts based on probabilistic population estimates.

Note:

Admission Rate= number of admissions divided by total served during the year

US Admissions During Year uses data from states reporting data only. States are only included in "US Total Served" if they also reported data on admissions.

US Total Served During Year is calculated using data in URS/DIG Table 3.

This table uses data from URS/DIG Table3 and 6.

*In Labor Force is the sum of consumers employed and unemployed.

**With Known Employment Status is the sum of consumer employed, unemployed and not in labor force.

Consumers employed as a % of those in labor force uses adults employed and unemployed as the denominator.

Consumers employed as % of known employment status uses the sum of persons employed, unemployed and not in labor force as the denominator.

This table uses data for URS/DIG Table 4a.

State Notes:

CONSUMER SURVEY RESULTS, FY 2010

STATE: New Hampshire

Indicators	Children: State	Children: U.S. Average	States Reporting	Adults: State	Adults: U.S. Average	States Reporting
Reporting Positively About Access	77.2%	81.5%	49	76.9%	84.6%	54
Reporting Positively About Quality and Appropriateness				81.5%	88.3%	54
Reporting Positively About Outcomes	57.8%	62.1%	50	62.5%	72.0%	54
Reporting on Participation in Treatment Planning	84.6%	86.5%	50	71.5%	79.1%	54
Family Members Reporting High Cultural Sensitivity of Staff	88.8%	92.7%	49			
Reporting positively about General Satisfaction with Services	71.8%	81.6%	50	77.3%	88.0%	54

Note: U.S. Average Children & Adult rates are calculated only for states that used a version of the MHSIP Consumer Survey

This table uses data from URS/DIG Table 11.

Children/Family	State	U.S.
Type of Survey Used		YSS-F=41

Type of Adult Consumer Survey Used	28-Item MHSIP	Other MHSIP	Other Survey
state	-	Yes	-
U.S.	33	23	-

Sample Size & Response Rate	Children: State	Children: U.S.	States Reporting	Adults: State	Adults: U.S. Average	States Reporting
Response Rate	28.2%	44.5%	45	39.2%	49.9%	47
Number of Surveys Attempted (send out)	1,076	133,003	43	1,093	239,783	46
Number of Surveys Contacts Made	830	110,954	41	879	190,201	45
Complete Surveys	234	41,002	47	345	107,182	52

Populations covered in survey	Children: State	Children: U.S.	Adults: State	Adults: U.S.
All Consumers	-	3	-	-
Sample	Yes	47	Yes	54

Sample Approach	Children: State	Children: U.S.	Adults: State	Adults: U.S.
Random Sample	Yes	18	Yes	13
Stratified Sample	-	12	-	17
Convenience Sample	-	14	-	18
Other Sample	-	5	-	7

Who is Sampled?	Children: State	Children: U.S.	Adults: State	Adults: U.S.
Current Clients	Yes	49	Yes	53
Former Clients	-	18	-	20

Populations included in sample: (e.g., all adults, only adults with SMI, etc.)	Children: State	Children: U.S.	Adults: State	Adults: U.S.
All Children or Adults Served	-	27	-	29
SMI Adults or SED Children	-	17	-	15
Persons Covered by Medicaid	-	9	-	8
Other	Children currently receiving services who are BBH eligible	11	-	15

State Notes:

1) New - Data Weighted in 2010. 2) Substantive shift in phone vs. paper responses between years one through 3 of the survey, this has led to an artificial drop in some outcomes (particularly among youth responses).

DIVISION OF BEHAVIORAL HEALTH

State Office Park South

105 Pleasant Street

Concord, NH 03301

Excerpts from: PART He-M 401 ELIGIBILITY DETERMINATION AND INDIVIDUAL SERVICE PLANNING

Statutory Authority: RSA 135 C:13, 18, 19, and 61

He-M 401.01 Purpose. The purpose of these rules is to establish the requirements and procedures for determining eligibility for state-funded community mental health services and for developing and monitoring the individual service plan.

He-M 401.02 Definitions. The words and phrases in these rules shall mean the following:

- (a) "Adult" means a person 18 years of age or older.
- (b) "Applicant" means any person who requests state-funded services from a CMHP.
- (c) "Area of origin" means the city or town in which a consumer resides or, if the consumer is in a state institution, the city or town in which the consumer resided immediately prior to entering the institution.
- (d) "Case manager" means a person designated by a CMHP to monitor, advocate for, and facilitate the delivery of services to consumers.
- (e) "Child" means a person who is less than 18 years of age.
- (f) "Child and family service plan" means a written document developed for a child as a result of a conference that specifies the services and supports that are needed for the family and child to attain their identified goals.
- (g) "Clinician" means a person who has been authorized by a CMHP to render consumer services and who is qualified to provide such services pursuant to He-M 426.05 (e)-(j).
- (h) "Community mental health program" (CMHP) means a community mental health program operated by the state or a city, town, county, or nonprofit corporation and approved pursuant to He-M 403 for the purposes of planning, establishing, and administering an array of mental health services.
- (i) "Conference" means a meeting or series of meetings held to develop or revise an individual or family service plan pursuant to He-M 401.12 or He-M 401.13.
- (j) "Consumer" means any person receiving state-funded services from a CMHP.
- (k) "Crisis plan" means a written agreement between a consumer and a CMHP that:
 - (1) Outlines the interventions to be utilized and/or considered during an impending or acute psychiatric crisis;
 - (2) Promotes illness self-management;
 - (3) Emphasizes a preventive approach through the identification of early warning signs of acute psychiatric episodes and specific treatment approaches to be used in the event of a psychiatric crisis;
 - (4) Reflects a team effort among the consumer, CMHP staff, and others invited by the consumer; and

(5) May include the use of peer supports.

(l) "Division" means the division of behavioral health.

(m) "Eligibility" means the determination that a person meets the criteria for one or more of the eligibility categories in He-M 401.05 through He-M 401.11.

(n) "Guardian" means a guardian, or a temporary guardian, of the person appointed pursuant to RSA 464-A or the parent of a consumer under the age of 18 whose parental rights have not been terminated or limited by law.

(o) "Individual service plan" (ISP) means a written document developed as a result of an intake and/or a conference that specifies the services and supports that a consumer, aged 18 or older, needs to attain his or her personal goals.

(p) "Interagency involvement" means the services provided to a child who:

(1) Meets the criteria specified in He-M 401.09 (a) or He-M 401.11 (a) and has been identified by a school administrative unit as being educationally handicapped; or

(2) Is referred to a CMHP and is under the legal jurisdiction of the division for children, youth and families (DCYF).

(q) "Master's level clinician" means a person who graduated from an accredited college/university program with a graduate degree in psychology or counseling and who is working under the supervision of a psychiatrist, psychologist or associate psychologist as specified in He-M 401.04.

(r) "Mental illness" means a person who is determined severely mentally disabled in accordance with He-M 401.05-He-M 401.07 and who has at least one of the following psychiatric disorders classified in the Diagnostic and Statistical Manual of Mental Disorders (DSM-IV):

(1) Schizophrenia and other psychotic disorders;

(2) Mood disorders;

(3) Borderline personality disorder;

(4) Post traumatic stress disorder;

(5) Obsessive compulsive disorder;

(6) Eating disorders;

(7) Dementia, where the psychiatric symptoms cause the functional impairments and one or more of the following co-morbid symptoms exist:

a. Anxiety;

b. Depression;

c. Delusions;

d. Hallucinations; and

e. Paranoia; and

(8) Panic disorder.

(s) "Region" means a geographic area identified in He-M 425.03 for the purpose of assigning primary responsibility for providing mental health services to the residents of certain communities.

(t) "Serious emotional disturbance" means a psychiatric disorder classified as an axis I disorder or an axis II borderline personality disorder in the DSM-IV with the exception of substance abuse disorders and V codes, which are conditions not attributable to a mental disorder.

(u) "Serious psychosocial dysfunction" means a significant disruption in functioning, due to a mental illness, in the areas of role performance, thinking, behavior toward self or others, and/or moods or emotions.

(v) "Severely functionally-impaired" means that as a result of a person's mental illness he or she requires intensive supervision or is in acute psychiatric crisis and cannot function in an autonomous or semi-autonomous fashion.

(w) "Suspension" means a time limited, specific withholding of any available service(s) from a consumer for well-defined and documented reasons and pursuant to He-M 401.16 (a)-(c).

(x) "Support" means informal assistance or resources provided by friends, family members, neighbors, or others to enable an individual to participate in community life.

(y) "Termination" means the cessation for an indefinite period of all services to a consumer.

He-M 401.05 Eligibility Criteria for Adults with Severe and Persistent Mental Illness.

(a) An adult shall be eligible for community mental health services if he or she has a severe and persistent mental illness (SPMI) pursuant to (b) below.

(b) An adult shall be determined by a CMHP to have a severe and persistent mental illness (SPMI) if he or she meets each of the following criteria:

- (1) The adult has a diagnosed mental illness;
- (2) The adult has a severe functional impairment as a result of his or her mental illness as determined through assessment of the person's abilities in the following areas:
 - a. Activities of daily living;
 - b. Interpersonal functioning;
 - c. Adaptation to change; and
 - d. Concentration and task performance or pace;
- (3) The adult has had the severe functional impairment for one year or more; and
- (4) The adult receives the following CMHP services:
 - a. A face to face case management contact at least monthly with an identified, distinct case manager or a therapist who functions as a case manager and who provides services to comply with He-M 426.12 (d) and (e); and
 - b. At least 2 of the following CMHP services:
 1. Medication administration and/or monitoring pursuant to He-M 426.07;
 2. Supportive or crisis housing;
 3. Mental illness management services pursuant to He-M 426.11;
 4. Partial hospitalization services pursuant to He-M 426.10;
 5. Individual therapy pursuant to He-M 426.08;
 6. Family therapy pursuant to He-M 426.08;
 7. Group psychotherapy pursuant to He-M 426.08;
 8. Employment services pursuant to He-M 427; and
 9. Inpatient hospitalization.

(c) An adult shall be eligible for community mental health services as a result of having SPMI if he or she meets the criteria specified in (a)(1), (3), and (4) above but does not meet the criteria currently as a result of the use of modern psychiatric medication such as clozaril and/or resperidol or as a result of close supervision such as that provided in a community residence as defined in He-M 1001.

(d) Redetermination of eligibility in this category shall occur annually.

He-M 401.06 Eligibility Criteria for Adults with Severe Mental Illness.

(a) An adult shall be eligible for community mental health services if he or she has a severe mental illness (SMI) pursuant to He-M 401.06 (b) below.

(b) An adult shall be determined by a CMHP to have a severe mental illness (SMI) if he or she meets each of the following criteria:

- (1) The adult has one of the following:
 - a. A diagnosis of mental illness; or
 - b. A provisional diagnosis of mental illness, if the person has not previously applied for community mental health services;
- (2) The adult has a severe functional impairment as a result of his or her mental illness as determined through assessment of the person's abilities in the following areas:
 - a. Activities of daily living;
 - b. Interpersonal functioning;
 - c. Adaptation to change; and
 - d. Concentration and task performance or pace;
- (3) The adult has had the severe functional impairment for less than one year; and
- (4) The adult requires utilization of 3 or more CMHP services including:
 - a. Case management pursuant to He-M 426.13;
 - b. Medication administration and/or monitoring pursuant to He-M 426.07;
 - c. Supportive and/or crisis housing;
 - d. Emergency services pursuant to He-M 426.08;
 - e. Mental illness management services pursuant to He-M 426.11;
 - f. Partial hospitalization services pursuant to He-M 426.10;
 - g. Individual therapy pursuant to He-M 426.08;
 - h. Family therapy pursuant to He-M 426.08;
 - i. Group psychotherapy pursuant to He-M 426.08;
 - j. Employment services pursuant to He-M 427; and/or
 - k. Inpatient hospitalization.

(c) Redetermination of eligibility in this category shall occur annually.

He-M 401.07 Eligibility Criteria for Adults with Severe or Severe and Persistent Mental Illness with Low Service Utilization.

(a) An adult shall be eligible for community mental health services if he or she has SMI or SPMI with low service utilization pursuant to He-M 401.07 (b) below.

(b) A CMHP shall determine that an adult has SMI or SPMI with low service utilization if he or she:

- (1) Has a mental illness but no longer meets all the criteria for SPMI or SMI and receives services that are designed to prevent relapse;
- (2) Has functional impairments that are due to a developmental disability and/or receives services primarily through another agency such as a provider for the developmentally disabled or New Hampshire hospital; and
- (3) Meets criteria for SPMI or SMI but has refused recommended services and for whom the CMHP is providing outreach.

(c) Attempts by the CMHP to engage the adult with SMI or SPMI with low service utilization in further services shall be made in accordance with his or her clinical needs and be documented in the person's record.

(d) Redetermination of eligibility in this category shall occur annually.

He-M 401.08 Eligibility Criteria for Children with Serious Emotional Disturbance.

(a) To be eligible for community mental health services as a result of having a serious emotional disturbance, a child shall:

- (1) Have a diagnosed serious emotional disturbance; and
- (2) Have a serious psychosocial dysfunction as determined through assessment of:
 - a. The child's:
 1. Role performance;
 2. Thinking;
 3. Behavior towards self or others;
 4. Moods or emotions;
 5. Substance use; and
 - b. The ability of the child's caregivers to provide physical and emotional support to the extent necessary to promote emotional health.

(b) Redetermination of eligibility in this category shall occur every 6 months.

He-M 401.09 Eligibility Criteria for Children with Serious Emotional Disturbance and Having Current Interagency Involvement.

(a) To be eligible for community mental health services as a result of having a serious emotional disturbance and interagency involvement, a child shall:

- (1) Have a diagnosed serious emotional disturbance;
- (2) Have a serious psychosocial dysfunction as determined through assessment of:
 - a. The child's:
 1. Role performance;
 2. Thinking;
 3. Behavior towards self or others;
 4. Moods or emotions;
 5. Substance use; and
 - b. The ability of the child's caregivers to provide physical and emotional support to the extent necessary to promote emotional health; and

(3) Have current interagency involvement.

(b) Redetermination of eligibility in this category shall occur every 6 months.

He-M 401.10 Eligibility Criteria for Children At Risk of Developing a Serious Emotional Disturbance.

(a) To be eligible for community mental health services as a result of being at risk of developing a serious emotional disturbance, a child shall:

- (1) Have a diagnosed serious emotional disturbance or a DSM-IV, axis II diagnosis; and
- (2) Have a serious psychosocial dysfunction as determined through assessment of:

- a. The child's:
 - 1. Role performance;
 - 2. Thinking;
 - 3. Behavior towards self or others;
 - 4. Moods or emotions;
 - 5. Substance use; and
- b. The ability of the child's caregivers to provide physical and emotional support to the extent necessary to promote emotional health.

(b) Redetermination of eligibility in this category shall occur every 6 months.

He-M 401.11 Eligibility Criteria for Children At Risk of Developing a Serious Emotional Disturbance and Having Current Interagency Involvement.

(a) To be eligible for community mental health services as a result of being at risk of developing a serious emotional disturbance, a child shall:

- (1) Have a diagnosed serious emotional disturbance or a DSM-IV, axis II diagnosis;
- (2) Have a serious psychosocial dysfunction as determined through assessment of:

- a. The child's:
 - 1. Role performance;
 - 2. Thinking;
 - 3. Behavior towards self or others;
 - 4. Moods or emotions;
 - 5. Substance use; and
- b. The ability of the child's caregivers to provide physical and emotional support to the extent necessary to promote emotional health; and

- (3) Have current interagency involvement.

(b) Redetermination of eligibility in this category shall occur every 6 months.
