**Note:**

**Are Client Counts Unduplicated?** Unduplicated **Number of States with Unduplicated Counts** 43

This table uses data from URS/DIG Table 2a, Table 2b and from the US Census Bureau. All denominators use US Census data from 2009

US totals are calculated uniquely for each data element based on only those states who reported clients served.

Regional groupings are based on SAMHSA's Block Grant Regions.

**State Notes:**
**Table 2a**

Age	Data includes those individuals who received psychiatric inpatient services only as well as all individuals who received community based mental health services. Individuals who received inpatient and community based services are only counted once.
Gender	None
Race	Increase in race not available is due to commitments to local inpatient psychiatric facilities who do not report demographic data.
Overall	None

**Table 2b**

Age	None
Gender	None
Race	None
Overall	None

#### Note:

\*In Labor Force is the sum of consumers employed and unemployed.

\*\*With Known Employment Status is the sum of consumer employed, unemployed and not in labor force.

Consumers employed as a % of those in labor force uses adults employed and unemployed as the denominator.

Consumers employed as % of known employment status uses the sum of persons employed, unemployed and not in labor force as the denominator.

This table uses data for URS/DIG Table 4a.

<b>URS Table Number</b>	<b>General Notes</b>
6	Increase in number of individuals in other psychiatric settings at beginning of year is a result of the acuity mix; People with lower intense needs are seen in the local hospitals; People with more intense needs are served in the state operated hospitals.
8	A new drop-in center was open as well as increased funding for parent education increased block grant funding for non-direct services.
14A	The percent increase in the number of American Indian/Alaska Native and Asian consumers appears to be a large increase from 2009 merely because of the low number of people being served from these race categories.
20A, 20B, 21	FY 2010 numbers show a substantial percent difference from FY 2009. An error exists in the numbers for FY2009.
