## Wyoming

URS Table Number	General Notes
4, 4A	For employment, the value of unknown was removed from the employment field. When the field was no longer available, clients without an available employment status was put in the 'Not in Labor Force' category. Clients in 'unknown' are clients who may have been admitted during the end of FY15 but continued having services through FY16.
5A, 5B	We removed our Principal Payment source field from our system and instead collected payment source by service. This means that a client could now be served by both Medicaid and Non-Medicaid sources. Our data is also more accurate this year.
8	The State of Wyoming, Department of Health, Behavioral Health Division did not do a statewide conference in FY16 but did do a conference in FY15. The State of Wyoming also saw a decrease in the state budget due to natural resources not faring well.
9	Added Function Domain questions into this years' questionnaire
12	Provided technical assistance to providers that were not correctly identifying co-occurring clients.
16, 17	State of Wyoming does not collect data in this manner.
