NOTE: Household participation in one or more government assistance programs is defined as one or more household family members having received Supplemental Security Income (SSI), food stamps, cash, or noncash assistance during the prior calendar year. SSI provides payments to low-income, aged, blind, and disabled persons. Food stamps are government-issued coupons used to purchase food. Cash assistance refers to receiving cash due to low income, such as Temporary Assistance for Needy Families (TANF), welfare, or public assistance. Noncash assistance refers to receiving assistance due to low income, such as help getting a job, placement in an education or job training program, or help with transportation, child care, or housing.

<sup>1</sup> Illicit Drugs include marijuana/hashish, cocaine (including crack), heroin, hallucinogens, inhalants, or prescription-type psychotherapeutics used nonmedically. Illicit Drugs Other Than Marijuana include cocaine (including crack), heroin, hallucinogens, inhalants, or prescription-type psychotherapeutics used nonmedically.
