¹ Cigarette brands listed alphabetically are the reported 25 brands used most often among the civilian, noninstitutionalized U.S. population aged 12 or older in 2005; however, these are not necessarily the 25 brands used most often among the subgroups shown in this table.

² These 2004 estimates are denoted by a "--" because the indicated brand names were reported as an other-specify in 2004 but were listed as response options in the 2005 questionnaire; thus, the 2004 and 2005 estimates are not comparable.

¹ Smokeless Tobacco brands listed alphabetically are the reported 15 brands used most often among the civilian, noninstitutionalized U.S. population aged 12 or older in 2005; however, these are not necessarily the 15 brands used most often among the subgroups shown in this table.

² These 2004 estimates are denoted by a "--" because the indicated brand names were reported as an other-specify in 2004 but were listed as response options in the 2005 questionnaire; thus, the 2004 and 2005 estimates are not comparable.
