Illinois

URS Table Number	General Notes
2A/B, 3, 4, 5, 5A, 6, 12, 14A/B, 15, 15A, 16	The state has seen a reduction in the number of consumers served between 2016 and 2017 as a result of better MCO coverage. Coverage in and enrollment in the ACA continues to affect those served by our providers. The Medicaid Authority in the State of Illinois continues to make adjustments in how MCO claims are processed. Last, but not least, FY17 continued to have a lack of coverage for Non-Medicaid services.
