\* = low precision; -- = not available; da = does not apply; nc = not comparable due to methodological changes; nr = not reported due to measurement issues.

<sup>a</sup> The difference between this estimate and the 2018 estimate is statistically significant at the .05 level. Rounding may make the estimates appear identical.

<sup>1</sup> Respondents could indicate multiple types of health insurance; thus, these response categories are not mutually exclusive.

<sup>2</sup> Other Health Insurance is defined as having Medicare, military-related health care, or any other type of health insurance.

<sup>3</sup> The Other Employment category includes students, persons keeping house or caring for children full time, retired or disabled persons, or other persons not in the labor force.

Definitions: Measures and terms are defined in Appendix A.
