IMPORTANT INFORMATION ABOUT THE 2023 DIRECTORY

The ***National Directory of Drug and Alcohol Use Treatment Facilities - 2023*** is a listing of federal, state, and local government facilities and private facilities that provide substance use treatment services. It includes treatment facilities that (1) are licensed, certified, or otherwise approved for inclusion in the Directory by their State Substance Use Agencies, and (2) responded to the 2022 National Substance Use and Mental Health Services Survey (N-SUMHSS). The information about each facility that appears in this Directory was provided by that facility in response to the 2022 N-SUMHSS. The N-SUMHSS is conducted annually by the Substance Abuse and Mental Health Services Administration (SAMHSA).

The Directory is ordered alphabetically by state, by city within each state, and by facility name within each city. Each facility listing includes codes that represent the services offered and other features of the facility, including codes that indicate services for hearing impaired and non-English-speaking clients. Codes are defined in a key shown on pages v-x. Please note services offered by a particular facility may change over time. It is suggested to verify the information in this Directory when contacting a facility.

The Directory is also available online in a searchable format with maps showing the location of each facility. Go to https://FindTreatment.gov. Since the online listing is updated regularly, more current information may be available there.

NOTE TO TREATMENT FACILITIES

If your facility meets the criteria specified above for inclusion in the Directory, but it is not listed, you should first contact your State Substance Use Agency to verify that it has reported your facility to SAMHSA as eligible for inclusion in the Directory. If state records show that your facility was reported to SAMHSA as eligible for inclusion in the Directory, then email or call SAMHSA's BHSIS Project Office as directed below.

The online version of the Directory, FindTreatment.gov, is updated throughout the year. If you have a facility to add or changes to report for your facility, please provide complete information by email (FindTreatment@samhsa.hhs.gov), or by calling 1-833-888-1553, or by mailing to:
